Email ……

Section ❑ **Junior** (Under 16 years on Saturday 23RD Oct 2010) ❑ **Open**

Type of Busking Activity: Please outline of instruments, number of people, type of performance, area required, special requests

……..

……

Do you require power **Yes / No** **What do you require power for?** ……..

Will amplification be used? **Yes / No**

This information is important so we place you correctly on the street with other performers so that you or they are not disadvantaged. No power sources will be provided by retailers for amps, AND this will be strictly enforced. You may request power for a keyboard or CD player etc. Amplification is only acceptable via a 12v system. A Sound Meter may be used to gauge noise, and if you are too noisy you will be asked to turn it down, and any repeat offenders may be asked to leave. We need to be fair to all competitors, and to the retailers and customers. You don't have to be loud to be good!

Entries close on Wednesday 20th October 2010. Sorry entries will not be acceptable on the day, and all entrants must be strictly amateur.

❑ I accept and understand the Terms and Conditions, and promise to have fun on the day!
